IN THIS DOCUMENT. SLP(B) 6 MAY 1977

6 May 11-29-94 DATE

Remytels 4/24, 26/62 entitled LARRY J. LA BORDE, ET AL; IS - CUBA; also Butel to Miami 5/1/62, as above captioned.

Enclosed are 9 copies letterhead memo dated and captioned as above.

On 4/24/62 Mr. GREG MARUCA, CIA, Miami, was advised of information set forth in retels. He said LA BORDE was of operational interest to CIA but was dropped a couple months ago. MAX (LNU), mentioned previously as contact of LA BORDE at Key West, Fla., according to MARUCA, is in fact a CIA agent in Key West, and was contacted by LA BORDE. Contrary to claim of LA BORDE, MAX tried to dissuade LA BORDE from an attempt to blow up the "SS Williams". MAX did not give LA BORDE permission to proceed, and CIA has not authorized this operation.

RE: LARRY J. LA BORDE

BOMBING MATTERS - THREAT

DECLASSIFIED BY SP8 MAC/KSR
ON 12-12-94 (JFK)

On April 24, 1962, MM T-1, who has been involved in Cuban revolutionary activities during the past four years, and who has furnished reliable information in the past, advised as follows:

Larry J. LaBorde, an American in Miami, Florida, who is a sailor by occupation, claimed he had learned on April 22, 1962, that the ship "SS Williams", operating out of Miami, was running machinery to Cuba. LaBorde indicated he planned to blow up this ship on its return to Miami. ~~(S)~~ (U)

LaBorde, according to MM T-1, is associated with Antonio Cuesta, Gerald Patrick Hemming and Edward Collins in this plan to blow up the ship. ~~(S)~~ (U)

Cuesta is a Cuban national. Hemming and Collins are American citizens, mercenaries and revolutionists, who are not members of any Cuban revolutionary organization, but are in constant contact with most Cuban anti-Castro organizations in Miami. ~~(S)~~ (U)

MM T-1 advised that on April 24, 1962, Cuesta visited the Pier 3 area of the Miami Municipal Docks where the ship ties up when in Miami, to familiarize himself with the area. Cuesta said he had decided to use an aqualung to attach explosives to the ship. He claims to be an experienced diver. ~~(S)~~ (U)

On April 24, 1962, MM T-1 advised that LaBorde and Collins on that date also had visited the Pier 3 area of the Docks to familiarize themselves with the general area. LaBorde planned to leave that evening for New Orleans to bring back ~~(S)~~ (U)
